To our ITA Family

As this year draws to a close, we want to pause and reflect — not just on what we've done, but on the journey we've shared together. Team Inspire is not just about a business or a brand; it is about you — as individuals and as one incredible community.

Over the past year, we have walked side by side through the highs, the challenges, and everything in between. We have felt every emotion together — the excitement, the nerves, the pride, and the joy — and it is this shared experience that makes our partnership so special. Your trust in us and your commitment to your own journeys mean more to us than words can truly express.

We have created some truly exceptional memories this year, but one moment stands out above all others: our very first overseas ITA conference. Seeing our family come together, connect, and celebrate was incredibly powerful and something we will treasure for a long time to come.

As the festive season arrives, we hope you truly allow yourselves to be in the moment. Spend time with the people you love, put the phone down, take the pictures, eat the chocolates, laugh loudly, and enjoy every small moment that makes this time of year so special.

Looking ahead, we are excited to build on everything we have achieved together and to continue growing, learning, and celebrating as one team in 2026. We hope the year ahead brings you great success, fulfilment, and many more moments to be proud of.

Wishing you a wonderful Christmas and a happy, healthy, and travel-filled 2026.

Lisa, Richard and the Inspire Family
